Kia ora,

OIA 2024/19: List of COVID-19 Independent Advisory Groups

We are in the process of updating the second edition of our [COVID-19 Nation Dates](#) book. As part of this process, we would like to include a table on the list of COVID-19 Independent Advisory Groups established to advise Ministers and officials in response to COVID-19. We are adapting a table we found on your website, found [here](#). We want to ensure we have the most up to date and accurate information available before we publish the book in late August.

Q1: Can you provide the name of the author/s to the row 19 May 2022, Agency responses to the CRIAG assurance areas raised during Omicron wave? The link from your table can be found [here](#).

Q2. Can you complete following table and check that the details we have included below are correct? Note: we have included the first few rows as an example. Can add new rows for any other Independent Advisory Groups which we may have missed.

Table x: List of Independent Advisory Groups

Many thanks,
