Kia ora,

We are in the process of updating the second edition of our [COVID-19 Nation Dates book](#).

We are reviewing the types of legislation that was used for the range of COVID-19 regulations implemented throughout the pandemic. Could you please answer the following four questions:

Question 1: How many COVID-related s 70 orders under Health Act 1956 were issued?

Question 2: How many COVID-19 Orders under s 11 of the COVID-19 Public Health Response Act 2020 were issued ?

Question 3: How many COVID-19 Public Health Response Amendment orders were issued?

Question 4: Were vaccination mandates issued through s 11 orders under the COVID-19 Public Health Response Act 2020? If not, please explain.

Please do not hesitate to contact me if you have any questions or points of clarification

Many thanks, Wendy
