Kia ora [REDACTED],

Just a gentle reminder – we are keen to confirm the following:

1. We do not seem to have received a response to our request (24 October, below) – can you confirm an eta? (see green highlight).
2. We do not seem to have received a response to the remaining part of our request (21 October, far below) (see yellow highlight).

It would be great if we could get a response to both of these as soon as possible, as we are aiming to publish very soon.

Many thanks,

Wendy

Thank you for your response, unfortunately the first two comments are at odds with what we have received from other departments, specifically:

DOC's OIA response stated that the 'Government Tourism Strategy' is still active.
DIA's OIA response stated that the 'The Digital Strategy for Aotearoa' is still active.

Please confirm with DOC and DIA whether these are active (or not) and get back to us with your joint view. In the meantime, we will remove you as jointly holding the third strategy below based on your response.

Many thanks,

Wendy

Kia ora,

A: Acknowledgement

It has been almost a month since we made our OIA request (see far below). We have since followed up with two requests for an acknowledgment email.
