

ONE OCEAN

Four Natural Assets

The background of the slide is a photograph of a vast, teal-colored ocean with gentle waves. The text is overlaid on this background.

GOAL:

A management framework that is collaborative, integrated and durable, based on a collective commitment to a healthy and productive ocean.

Q1. What aspects of the current framework are working **effectively** or **ineffectively** towards this goal?

GOAL A management framework that is collaborative, integrated and durable, based on a collective commitment to a healthy and productive ocean.

Q2. What **research/processes/
instruments/institutions** might
best inspire and inform progress
towards this goal?

**Please prioritise these with red stickies
over refreshments and pizza.**

GOAL A management framework that is collaborative, integrated
and durable, based on a collective commitment to a healthy
and productive ocean.

Thank you.
