

# Exercise 3: FOUR VALUES THAT SHOULD GUIDE OUR CONSTITUTION

Step 2: Expressing the Vision: the imagery and values of our constitution

IMAGERY

SELECT ONE IMAGE THAT CAPTURES THE ESSENCE OF THE CONSTITUTION

1. Brainstorm in groups and capture the narrative on post-it notes (what imagery reflects your thoughts – find your creative place – look at the item, image, quote or photo you brought to the workshop; look at the groups – is there anything in common)
2. Have a group discussion about the imagery and extract the group's favourite image
